Give The Gift Of Nature

The holiday season is a time to relax, spend time with loved ones and give gifts from the heart. It's also a time to give back to the world by supporting the causes that mean the most to you. At the Fund, we know that conservation is more important than ever, and that your support means we can continue to create and implement innovative, practical solutions that benefit nature and the well-being of Americans from every walk of life.

This year, we are grateful for the support of our board of directors who have committed to match our supporters' contributions up to $150,000! From now until December 9, your online donations to us will be matched dollar-for-dollar. Please donate today!

Lasting Results For People and Nature: You Make It Happen

Our on-the-ground staff work directly with communities across the country to address new challenges with innovative and practical solutions. Across more than 3,000 projects, we've protected nearly 8 million acres of majestic landscapes and wildlife habitat, ensured our cities have greenspace, preserved

working lands like farms and ranches, and helped support thousands of local jobs.

Watch the video above and experience firsthand some of the projects you're helping us make happen!

We Are Top Ranked!

Did you know that we put 96% of every dollar donated directly into conservation? This puts us at the top of the environmental philanthropy charts! We are rated A+ by Charity Watch, have earned the Platinum Seal of Transparency from GuideStar, and have achieved Charity Navigator's coveted 4-star rating for sound fiscal management and commitment to accountability and transparency. When you give to us your money goes where it's needed most.

We Put Your Gift Into Action

Your gift to The Conservation Fund benefits America's lands, waters and communities. No matter what inspires you to give today, you can trust that we will put your donation into action, and create lasting results for nature and for people.
